

SOURCING SPECIALIST

(M/F)

At Voltalia we are passionate about renewable energies. We are an international company (listed on Euronext Paris since July 2014) and we produce electricity from multiple power sources (wind, solar, hydro and biomass). Today we have a total installed capacity of 451 MW and we also provide services on behalf of third-party clients such as development, construction, maintenance and exploitation of energy production sites. With a booming growth, our group is already present in 17 countries over 4 continents and we offer to our clients a global operating capacity. Besides the group strongly contributes to the socio-economic development of the regions where it is present and cultivates partnerships profitable to all the stakeholders, at all levels.

If you share our ambition and our passion for renewable energies, Voltalia has a career for you!

Our **Construction Business Line** is looking for a **Sourcing Specialist** for its **Operations**, which will have the following responsibilities:

- Project COS improvement (savings for the project budget);
- Purchase orders follow-up in terms of quality and delivery times;
- Participation to the supplier database management with current and potential suppliers;
- Handle requests for information, quotations, proposals and bidding processes;
- Negotiate with suppliers to meet quality, delivery and cost objectives.

Voltalia is a French renewable electricity company listed on the regulated Euronext market in Paris since July 2014 and active in four energies: wind, solar, hydro and biomass. Martifer Solar is a leading global player in Development, EPC and O&M Services in the photovoltaic market.
